EA Performance | Gold Coast, Australia

## WHOLESALE PARTNER PROGRAM

Elden's Autobahn is a Gold Coast based European performance parts specialist supplying workshops and retailers across Australia with premium brands at competitive trade pricing.

### Why Partner With Us?

#### Direct Importer

We source directly from manufacturers worldwide, cutting out the middleman and passing savings to our dealers.

#### Premium Brand Portfolio

Access to the world's leading European performance brands under one roof. Exhaust, suspension, wheels, body kits and more.

#### Competitive Trade Pricing

Generous dealer margins across all brands, designed to make reselling profitable for your business.

#### Easy Online Ordering

Dedicated dealer portal on our website with live trade pricing, product specs and simple checkout via card or bank transfer.

#### Australia-Wide Delivery

We ship direct to your workshop or your customer, wherever they are in Australia.

#### Dedicated Support

Direct access to our team for product advice, fitment queries and order support. We know these cars inside and out.
